The Senate then, went into committee of the whole for the consideration of the analysis of dividends from their hold-lighted size of dividends from their hold-

An Apology to Miss Boyson.

There is no question about Miss Boyson's Richmond friend having given the eminent essayist a grand opportunity for the Richmond letter, the eloquent extracts of which have so greatly pleased, even delighted, one who is ever ready to respond to the rare gifts with which Miss Boyson is so richly endowed.
